"Salmon in the Trees: Life in Alaska's Tongass Rain Forest"

With camera and rain gear in hand, photographer and writer Amy Gulick spent more than two years trekking and paddling among the bears, misty islands, and salmon streams to document the intricate connections within the Tongass. Together with renown conservationists, scientists, and Alaska Natives, as well as salmon-spawned illustrations from artist Ray Troll, Gulick portrays a hopeful story of a magnificent—and intact—ecosystem where trees still grow salmon, and salmon still grow trees. *Hard cover*..... (Qty: ____ \$50 ea.)
